[Bay Mills Community College](#), in partnership with the [Michigan Fitness Foundation](#), has compiled a list of recreation resources located in Michigan's Eastern Upper Peninsula (EUP). This EUP Recreation Resource Guide covers Chippewa, Mackinac, and Luce Counties, and features information on trails, bikeways, indoor and outdoor recreation facilities, recreation gear and equipment, as well as useful apps, websites, and local clubs.

This guide also features a variety of photographs highlighting unique natural landscapes, and recreation opportunities across the EUP. These photographs were graciously provided by its residents.

Chippewa County is located in Michigan's Eastern Upper Peninsula, and features many recreation areas, historical sites, lighthouses, and of course, the extraordinary Soo Locks.

Natural features, such as Tahquamenon Lower Falls, the St. Mary's River, sprawling forests and waterways, offer many opportunities for recreation activities year-round, from fishing and kayaking, to two-tracking and hiking. Chippewa County has something for everyone.
