2025-26 Verification Worksheet

Federal Student Aid Program (V5)

Your application was selected by the Department of Education for review in a process called "Verification." In this process, Bay Mills Community College will compare information from your FAFSA with this worksheet and the financial data you must submit. The law requires completion of Verification before awarding and/or disbursing federal aid. If there are differences between your FAFSA and your verification documentation, electronic corrections to your FAFSA may be required. You must complete and sign this worksheet, attach all required documents, and return it to the financial aid office before your application can be processed. Contact the financial aid office at 1-866-967-BMCC if you have any questions.
