

ASSOCIATE OF ARTS ANISHINAABE LANGUAGE INSTRUCTION

The Anishinaabe Language Instruction program is designed to encourage and promote the understanding and preservation of the Anishinaabe language and prepare the student to function as a language instructor. It is also designed to enhance students' cultural awareness and offer the opportunity to develop a functional command of the Anishinaabe language, which can be further expanded through additional study or through contact with other speakers of the language. Students will gain an understanding of the structure of the language, learn pedagogical principles and methods for teaching Anishinaabemwin.
