GENERAL INFORMATION

INTRODUCTION

This Handbook is intended to provide Bay Mills Community College (BMCC) students with the information and policies they should be aware of while attending BMCC. It should be kept handy and referred to whenever you have a question during your time with us.

While this student handbook was prepared on the basis of the best information available at the time of publication, all information, including statements of policy and procedure, are subject to change without notice or obligation.

BAY MILLS COMMUNITY COLLEGE HISTORY

The college began as a vocational program in response to the economic development needs of the seven Native American communities which were initially served. The program was funded in 1981 by the Department of Education. In 1984 the college was chartered by the Bay Mills Indian Community under the Tribally Controlled Community Colleges Act. Since its establishment in 1981 with an enrollment of eleven students, the college has grown to currently serve hundreds of students annually through on-campus, off-campus, and online programming. BMCC is Michigan's first accredited Tribal College located on a reservation and was designated as a Land Grant Institution by the Equity in Educational Land Grant Status Act of 1994 (www.higherlearningcommission.org). BMCC is chartered by the Bay Mills Indian Community as a nonprofit educational corporation and has been declared 501 (c)(3) tax-exempt by the Internal Revenue Service. Control is vested in a Board of Regents, which selects the president and establishes overall institutional policy. Although the college specializes in programs for American Indians, who represent approximately 60% of the annual student enrollment, its doors are open to all people who want to benefit from the educational process. BMCC is dedicated to providing academic and personal enrichment programs to Native Americans and residents of their neighboring communities. BMCC has developed an impressive, cutting edge technological infrastructure, which has allowed BMCC to reach beyond the borders of Michigan and offer online instruction throughout North America.

MISSION AND OBJECTIVES

As a tribally controlled community college and land grant institution, the mission of Bay Mills Community College is to provide quality educational opportunities, promote research, and facilitate individual development in an accessible, community-based, and culturally diverse environment that supports and maintains the Anishinaabek culture and language.

In carrying out this mission, the BMCC Board of Regents stresses a positive, student-centered atmosphere, which promotes the preservation of the customs and beliefs of Native Americans. The curriculum is designed to integrate traditional Native American values with higher education as a way of preparing students to assume responsible roles in their respective communities.

The objectives of the college are articulated as follows:

- to provide the Native American communities of Michigan with educated and trained human resources
- to provide educational opportunities, including academic, research, vocational, basic skill building, cultural and in-service programs leading to appropriate certificates, degrees, and diplomas
- to foster a spirit of pride in Native American language, culture and history through participation in classes and cultural activities
- to provide qualified, dedicated, student-centered staff and faculty
- to help students attain the necessary skills and self-esteem for personal and career growth
- to prepare and encourage students to pursue advanced degrees
- to provide continuing and community education

VISION STATEMENT

With learning as its central mission, BMCC will prepare students to become productive and responsible members of an increasingly diverse workforce by providing them with academic, technical, work and life skills, as well as the self-confidence needed for successful transfer into baccalaureate programs or directly into the workforce. By establishing itself as an effective partner, alongside other academic institutions, private and public sector employers, and neighboring communities, BMCC will ensure its long-term viability and positive impact on the Upper Great Lakes region. BMCC is dedicated to supporting the viability and sustainability of the Anishnaabe people's language, culture and way of life while promoting and emphasizing life-long learning for all students.

STUDENT RESPONSIBILITY

As a student and a member of this educational community, you are responsible for becoming familiar with and abiding by the regulations contained here in this handbook. These regulations are intended to support and further the educational mission of Bay Mills Community College. They may not be unreasonable, or interfere with any rights guaranteed by the Constitution of the United States or any other relevant governing body.

AUTHORITY FOR REGULATING STUDENT CONDUCT

The Board of Regents sets policy for Bay Mills Community College and has the final say in all matters concerning the operation of the college. This responsibility includes the regulation of student conduct. The actual process for adjudicating misconduct complaints is delegated by the Board of Regents to administrative officers.

TOBACCO

Bay Mills Community College believes in offering a healthy, safe, and clean campus environment to its students, employees, and visitors. In accordance with this policy, smoking cigarettes, E-cigarettes, and the use of chewing tobacco are not permitted in any campus buildings.

ALCOHOL/DRUG FREE CAMPUS POLICY

No person may bring, keep or drink alcoholic beverages on college premises or at college functions. Possession of stimulants, depressants, narcotics or hallucinogenic drugs, including marijuana and other agents having potential for abuse, is strictly prohibited. Drugs prescribed by a physician must be in the original container in which they were received from the pharmacist. Any person found to be possessing, using or distributing such drugs or alcohol will be subject to disciplinary action, which could include prosecution for violation of tribal, state or federal law (see Student Conduct Code for Bay Mills Community College Substance Abuse Prevention Policy).

GAMBLING

Gambling on the campus or in any college-affiliated building or sponsored activity is prohibited unless approved by the Tribal Gaming Commission.

NOTICE OF NON-DISCRIMINATION POLICY

Bay Mills Community College (BMCC) and its Board of Regents is committed to providing a non-discriminatory and harassment-free educational and working environment for all members of the Bay Mills Community College, including students, faculty, administrators, staff, and visitors. It is the policy of Bay Mills Community College that no person shall be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, including harassment, in employment and admissions, in education, or in any program or activity for which the College is responsible, on the basis of race, color, national origin, ancestry, sex, gender, gender identification, sexual orientation, disability, age, religion, medical condition, veteran status, marital status or any other characteristic protected by institutional policy or tribal or federal law. The following person has been designated to handle complaints regarding sex discrimination and all other matters of discrimination:

The BMCC Sexual Misconduct policy can be downloaded at www.bmcc.edu.

CAMPUS SAFETY AND SECURITY

BMCC is committed to maintaining a safe and secure campus for its students, staff, and visitors. The college publishes an annual report, which details any crimes reported on campus. Identities of victims and suspects are not revealed in these documents. The annual crime report is available on the Bay Mills Community College website located at www.bmcc.edu.

SOLICITING

Soliciting funds, clothes, books, subscriptions, tickets, or similar items on campus or in college buildings must be approved in writing by the President.

ASSEMBLY

Bay Mills Community College recognizes the right of the individual or of groups to disagree with national, state, local, and college policies and positions. The college prohibits and will not tolerate

the actions of any person or persons who assemble in a manner which obstructs the normal operations of the college.

Picketing, obstruction of ingress or egress, sit-ins and other forms of demonstration will not be tolerated on the college-owned, leased, or rented property. Banners and other visible material may not contain obscene language or expressions. Students distributing or posting vulgar printed or written notices are subject to disciplinary action and to possible dismissal.

The right of assembly does not give license to riot, to resort to violence or to destroy college facilities. Students who resort to violence or who damage college property will be subject to possible disciplinary action and referral to law enforcement authorities.

Any student identified as participating in unlawful assembly and who has been asked to disperse by college officials or the police may be subject to arrest, and, if found guilty, will be dismissed from college.

PARKING

Parking is provided by the college to all students, staff, and visitors. Handicapped parking is available in designated areas.

ENROLLMENT INFORMATION

Bay Mills Community College has an open admissions policy for students of any race, creed, color, and national or ethnic origin. High school transcripts or GED scores are required of all applicants seeking admission as regular students in degree and certificate programs. Students without a high school diploma can be admitted as Special Status Students. Special Status Students are required to complete their GED or high school diploma within one year of admission to BMCC.

ADMISSIONS

Applicants seeking admission to special programs may be admitted without a transcript. These special programs include, but are not limited to, skill-upgrading classes, Native studies, creative arts programs, and adult basic education programs.

ADMISSIONS PROCEDURES

Applications for admission should be made as far in advance as possible.

Bay Mills Community College requires the student to:

- Visit our website www.bmcc.edu and complete the **Online Admissions Application**.
- Arrange for an official high school/GED transcript to be mailed directly from the principal's or counselor's office of the issuing institution to Bay Mills Community College's Admission Office. It must bear the seal of the institution and signature or stamp of the school official. Faxed copies are not accepted.
- Submit a copy of your tribal ID or verification of tribal membership from your tribal enrollment office, or Canadian certificate of Indian status, if applicable.
 - a) If you are not an enrolled Tribal/Band member but one of your biological parents is a Tribal/Band member, please submit: a copy of your parents Tribal I.D. or verification of Tribal Membership from the Tribal Enrollment Clerk or a Canadian Certificate of Indian Status, and a copy of your birth certificate and your parents' marriage license or other documentation if the tribal I.D. and birth certificate have different names.

Please note the above information must be received **within the first two weeks of classes**. If not received within the first two weeks, an Academic HOLD will be placed on your file. An Academic HOLD means you will NOT be allowed to register for subsequent semesters; in addition, transcripts, grade reports, financial aid checks, etc. will not be released until this important information is received.

- All newly admitted students must schedule and complete the BMCC placement test. This test may be waived if documentation is provided of previous testing, or by college transcripts showing a “C” or better was achieved in mathematics and English courses. The results of the placement tests are used for advising purposes only and will not affect admission status. To schedule an appointment, please call 1-800-844-2622, ext. 8418. Students do not need to take the placement exam if their program of study is Nishnaabemwin Pane.

PLACEMENT EXAM POLICY FOR RETURNING STUDENTS

Placement testing determines where you begin in your math, English, and computer science coursework. Placement testing may allow you to bypass basic courses, saving you time and money. If you need a refresher course for math, English or computer science, your placement will ensure that you start at the appropriate level course. Your placement in math, English, and computer science courses at BMCC will be determined by SAT or ACT scores, previous college courses you’ve taken, or with a placement exam less than three years old.

English

1. ACT scores (less than 3 years old) of 18+ in English and Reading allows for placement into EN111
2. SAT scores (less than 3 years old) of 480+ in Evidence-Based Reading and Writing allows for placement into EN111
3. Students whose ACT or SAT scores do not place them into EN111 must take the Accuplacer exam to determine appropriate placement
4. Transfer credits in English from another college must be reviewed by the BMCC Registrar and Department Chair. Students with English credit who wish to pursue further English courses may do so if their prerequisite courses are not more than three years old. If the student’s English pre-requisite courses are more than three years old, the student must take the departmental exam or the English placement exam to determine eligibility for prospective English course enrollment.
5. Students may enroll in EN219 or EN256 if their completed EN112 course (or equivalent) is more than three years old.

Math

1. ACT scores (less than 3 years old) of 21+ in math allows for placement into MA116 or MA206
2. SAT scores (less than 3 years old) of 530+ in math allows for placement into MA116 or MA206
3. Students whose ACT or SAT scores do not place them into MA116 or MA206 must take the Accuplacer exam to determine appropriate placement
4. Transfer credits in math from another college must be reviewed by the BMCC Registrar and Department Chair. Students with math credit who wish to pursue further math courses at BMCC may do so if their prerequisite courses are not more than three years old. If the student’s math pre-requisite courses are more than three years old, the student must take the departmental exam or the math placement exam to determine eligibility for prospective math course enrollment.

Computer Science

BMCC requires all incoming students to take the computer science placement exam to ensure that students are placed where they will be successful, unless the student has computer science transfer credit less than five (5) years old. If your computer science courses were taken five (5) or more years ago, you may be required to take the placement exam.

Program Exemptions

Students do not need to take the placement exam if their program of study is Anishinaabemwin Pane Program, Certificate of Completion – Corrections, Certificate of Completion – Construction, Certificate of Completion – Early Childhood Education, Certificate of Completion – Medical Coding & Billing, and Certificate of Completion – Emergency Medical Technician.

REGISTRATION

Registration at Bay Mills Community College is conducted in advance of each new semester and is advertised in most media outlets. New students are required to complete all admissions procedures and participate in placement testing prior to registration.

During the registration period, representatives from the Registrar's Office, Financial Aid Office, Student Services Office, and all academic departments are available for consultation. During summer registration, academic advisors are not available; however, other academic staff will be available for assistance.

Students must complete the following steps in order to register for classes:

- Complete and submit all registration material provided by the Admissions Office.
- Meet with the Financial Aid Office to clarify your financial aid status.
- Meet with the Student Accounts Manager to determine the total cost of tuition and fees for which you are responsible and making arrangements for payment of such costs if not seeking financial aid.
- Meet with an assigned academic advisor or academic staff for scheduling assistance and schedule approval.

ORIENTATION

It is mandatory that all incoming freshmen and transfer students attend orientation activities. The purpose of orientation is to acquaint students with the college, their program of study, rules and regulations, study techniques and other procedures necessary for a satisfactory beginning.

SOCIAL SECURITY PRIVACY POLICY

It is our policy to limit access to social security numbers to those persons who use the information in the normal course of their employment and to activities permitted or required by federal law. These uses include financial transactions associated with student billing, financial aid, work study, and IRS reporting. All other activities associated with the student's registration, grade reports, etc. will be identified through the use of the student I.D. number. This will limit the use of Social Security Numbers.

GUEST STUDENTS

Students enrolled at another institution and planning to continue at that institution may be admitted to BMCC as guest students. Students assume full responsibility for checking to determine that the courses taken at BMCC will transfer to the program of study being pursued at their home institution.

FALSIFICATION OF RECORDS

Falsification of official college records—either by providing erroneous information or by withholding pertinent information—is a serious offense and constitutes grounds for disciplinary action, including possible suspension or dismissal from college.

DUAL ENROLLED STUDENT POLICY

Bay Mills Community College is an established and accredited community college that qualifies to participate in the State of Michigan’s Postsecondary Enrollment Option Act by offering dual enrollment to qualified pupils that are eligible to enroll in postsecondary institutions.

BMCC participates in the State of Michigan’s Postsecondary Enrollment Option Act (PSEOA) by offering dual enrollment to qualified students who are eligible to enroll in postsecondary institutions. This program provides an opportunity for high school students to earn college credit while still attending high school. Students who would like to pursue dual enrollment must check with their high school principal or guidance counselor for eligibility guidelines and dual enrollment information. Dual enrollment is not intended to replace any high school offerings, and the high school superintendent or principal must sign off on the application and agree to pay the expenses for taking the course. BMCC may accept students after they have completed their first semester as high school freshman and have maintained a cumulative GPA of at least 3.0.

TRANSFER CREDIT(S)

Bay Mills Community College will accept transfer credits from other accredited institutions within the following guidelines:

- An evaluation will only be conducted from an official transcript. An official transcript bears the appropriate signatures and seals and is mailed directly from the issuing institution to BMCC, or sent as an etranscript through Parchment.com.
- Courses completed with a “C” grade (2.0) or higher will be accepted with the exception of certain English and Computer courses. These are addressed in the following two sections.
- English Composition courses that are more than three years old will be accepted only upon the student’s successful completion of a departmental exam. Students who have attained a bachelor’s degree are exempt from the departmental exam.
- Computer Science courses that are more than five years old will be accepted only with the student’s successful completion of a departmental exam.
- Mathematics courses taken by students transferring in or returning to BMCC will be accepted and correlated to a BMCC course according to content by the Office of the Registrar. Students with mathematics credit who wish to pursue further mathematics courses at BMCC may do so if their pre-requisite courses are not more than three years old. If the student’s mathematics pre-requisite courses are more than three years old, the student must take the departmental exam or the BMCC mathematics placement exam to

determine eligibility for prospective mathematics course enrollment. Students with mathematics credit three years or older are recommended to meet with the Department Chair for Mathematics for advisement.

- Courses which are not equivalent to BMCC courses but are in a discipline may be accepted as elective credits.
- Credits, not grades, are transferred for “C” or better courses. Grades from transfer courses are not included when calculating the BMCC cumulative grade point average.
- Transfer credits will be shown on the student’s academic record and will be counted when determining satisfactory academic progress for federal financial aid.
- Transfer of credit toward any certificate or degree program will be limited to 40 percent of the total number of credit hours for that program.

ACADEMIC POLICIES

ACADEMIC YEAR

The regular academic year is divided into two 15-week sessions of instruction per year: the fall semester and the spring semester plus a summer semester, which involves the same number of hours of instruction on fewer days to maintain the level of effort. An academic calendar is published annually and is available on the BMCC webpage.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

When a student turns 18 years old or enters a postsecondary institution at any age, all rights afforded to a parent transfer to the student. However, FERPA provides ways in which a school may – but is not required to – share information from an eligible student’s education records with parents, without the student’s consent. For example:

- Schools may disclose education records to parents if the student is claimed as a dependent for tax purpose.
- Schools may disclose education records to parents if a health or safety emergency involves their son or daughter.
- Schools may inform parents if the student is under age 21, or has violated any law or policy concerning the use or possession of alcohol or a controlled substance.
- A school official may generally share with a parent information that is based on that official’s personal knowledge or observation of the student.

ACCESS TO RECORDS

Bay Mills Community College adheres to the Family Educational Rights and Privacy Act (FERPA), a federal law designed to protect the privacy of a student’s educational records. Questions concerning FERPA should be addressed to the Registrar’s Office.

Student Records: Every student has the right to inspect and review data that is directly related to his or her academic progress. To view educational records, files, and other permissible material included in the cumulative student record, the student must submit a request for review in writing. Access will be granted within a reasonable time, but in no more than 45 days after the request has been made. Further release of personally identifiable records and files without written consent of the student will not be made, with the exception of those approved under the Family Educational Rights & Privacy Act of 1974.

Transcripts: Official transcripts of a student's academic record will be sent to properly authorized individuals or organizations (including the student) with a valid request from the student or from our transcript vendor Parchment. A fee of \$10.00 is charged for each official transcript. There is no charge for unofficial transcripts.

Transcripts received by the college are part of the student's official record and cannot be returned or released.

Transcripts of all previous work, both high school and college, must be on file in the Registrar's Office for students who apply for admission and request credit for previous college attendance. When such information is not provided promptly, it may be necessary to deny credit for current or prior college classes. If the proper transcripts are not filed with the Registrar's Office in time, the student may also be asked to withdraw from the college, or secure a GED and postpone registration until the required documents are completed.

Definition of the Student's Directory Information: Bay Mills Community College considers the following items as Directory Information:

- the student's name, curricula, and major field of study;
- participation in officially recognized activities;
- dates of attendance, degrees, certificates and awards from previous schools.

Bay Mills Community College may disclose any of these items without the student's prior written consent. A student can request the college in writing not to release any of the above information. The written request must be submitted to the Admissions Office by the tenth calendar day following the start of classes each semester.

ACADEMIC CODE OF CONDUCT

Students are expected to adhere to traditional Native American values such as honesty, truth and respect while attending BMCC. To do otherwise diminishes the value and integrity of your education and degree from BMCC. To protect the worth of your academic achievements, we expect you to avoid cheating, plagiarism and other forms of academic dishonesty, which include but are not limited to the following:

- Cheating is the unauthorized copying or sharing of information by any party, by any means; such as verbal, electronic, written, and unwritten.
- Plagiarism is unacknowledged use of the ideas, words, and images (print or computer media) of others that are not public knowledge whether or not the intent is to present it as one's own.
- Academic dishonesty is defined as any acts designed to circumvent the honest and moral completion of an individual's assignment or test and might include unauthorized use of notes, textbooks, and computer media during an exam, or threatening or coercing an instructor.

ACADEMIC DISCIPLINARY SANCTIONS

- The faculty member who feels a student has engaged in academic dishonesty will determine the sanction, which may include issuing a failing grade for the entire course.
- A form will be given to the student explaining the reason for the sanction.
- If a student has discussed the action with the instructor and feels the sanction is unwarranted, he/she may appeal to the Disciplinary Sanction Board.
- Serious offenses may be referred to administration, which may take independent action including suspension, removal from college or referral to law enforcement.

ACADEMIC STANDARDS POLICY

BMCC students are expected to make satisfactory progress towards their degree. Students who do not make satisfactory academic progress toward their degree will receive an academic warning notice after final grades are released. This is a strong warning to students that their scholastic performance is less than that expected by the College. Failure to improve academically after receiving an academic warning notice can result in academic probation or dismissal from the College (see policy below).

Academic Warning

BMCC will issue a warning to a student whose grade point average falls below the required 2.00 minimum for any semester or when their cumulative GPA falls below the required 2.00 minimum or whose completion rate is less than 67 percent. An Academic Registration Hold will be placed on the student's account and they will be required to meet with student services to complete a student success plan before they will be permitted to register for further courses.

Academic Probation

If, while on academic warning, a student's GPA the following semester is still below the required 2.0 or whose completion rate continues to be less than 67 percent, the student will be placed on academic probation. Once placed on academic probation a student must earn a semester GPA of at least 2.00 the next semester. Failure to do so will result in Final Academic Probation.

Final Academic Probation

BMCC students will be placed on final probation following a semester of academic probation if their cumulative GPA has not reached the required 2.00 minimum but their GPA for the semester is at least a 2.00. Once placed on final probation a student must earn a semester GPA of a minimum 2.00 the next semester. Failure to do so will result in temporary academic dismissal.

Academic Suspension

Academic dismissal will occur when a student does not earn at least a 2.00 semester grade point average while on final probation. Students who fail to meet the required final semester GPA will be academically suspended from the College and are not permitted to re-enroll for one full fifteen-week semester. After the one semester suspension, the student may return to BMCC.

Any questions regarding the academic standards policy should be directed toward student services in the Student Success Center.

ETHICAL CONDUCT OF RESEARCH

In accordance with its mission statement to promote research, Bay Mills Community College expects all those who are engaged in research to conduct it with integrity and intellectual honesty at all times, with appropriate regard for human and animal subjects as well as for the environment. To protect the rights of human subjects, the welfare of animal subjects and the integrity of the environment, faculty members will review their students' research projects and provide consent or release forms as needed.

BMCC expects all members of its learning community to prohibit research misconduct, including fabrication, distortion or omission of results and knowing appropriation of the findings of others.

GRADING POLICIES

The student’s academic achievement is recorded on a scale of letter grades assigned by instructors each semester. The grades used by the college with the corresponding numerical values are as follows:

<u>Grade Significance</u>		<u>Grade Points</u>
A	Excellent	4.0
A-		3.7
B+		3.3
B	Good	3.0
B-		2.7
C+		2.3
C	Average	2.0
C-		1.7
D+		1.3
D	Poor	1.0
D-		0.7
F	Failure	0.0
W	Withdrawal	0.0
I	Incomplete	0.0
AU	Audit	0.0
P	Passing	0.0
CR	Credit	0.0
R	Repeat	---
Z	Failure (pass/fail)	0.0

I (Incomplete) Students are responsible for completing the requirements of courses in which they are enrolled by the end of the semester. Grades of incomplete will only be given when the student has completed seventy percent (70%) of the course requirements with a passing grade, and when in the opinion of the instructor, the student has a valid excuse for not completing on time and there is reasonable probability the work can be completed in the extension time. If the student does not complete the course requirements by the end of the extension granted (no later than five weeks after the semester ends), the grade earned up to that date will be recorded. An incomplete grade may affect your financial aid, and you are advised to discuss the matter with the Financial Aid Office.

AU (Audit) Individuals who are interested in a particular subject and not interested in earning credit for it may audit the course. Listed below are the criteria for auditing a course:

1. Students may audit courses with permission of the instructor. The course will be marked “audit” at the official grade transcript.
2. Students auditing courses pay the same tuition and fees as those taking courses for college credit.

3. Once students have enrolled in a course on an audit basis, they may not change their registration to a credit basis after the second week of the semester.

P (Passing) Students enrolled in special courses/workshops may be graded on a Pass/Fail system. Credit earned counts toward the total required for graduation; however, it is not included in the GPA calculation. Grades issued in the Pass/Fail system may include only the following: “P” for passing or “Z” for fail.

CR (Credit) The grade of “CR” is recorded for departmental exams. Credit earned counts toward the total amount required for graduation; however, only 12 credits of courses taken as CR (credit) may be applied toward an associate degree, and 6 credits may be applied toward a certificate. Grades of CR are not used in the calculation of the grade point average.

R (Repeating Courses) Any course may be repeated, but credit is granted only once. The last grade received on a repeated course is used in computing the grade point average, even if the last grade is lower. However, a grade of “W” (withdrawal, no credit) for the repetition of a course will not replace a previous grade in the course. The student must register and pay tuition for the repeated course.

Courses with A, A-, B+, B, or B- grades may NOT be repeated, courses with a C grade may not be repeated without written permission from the Department of Academics. A course cannot be repeated after receiving credit in a course for which the repeat course is a prerequisite.

ATTENDANCE POLICY

Punctuality and regular attendance are indispensable to success in any human endeavor, and class work in college is not an exception. During the first week of classes, each instructor announces and provides in writing the attendance requirements for that class. It is a general BMCC policy that students are expected to attend **at least 70%** of their classes, but individual instructors may set a higher percentage for their courses. Each instructor keeps an accurate attendance record of the students enrolled in the class and reports attendance to the Office of Student Services throughout the semester. Excessive absences incurred by veterans receiving educational benefits may be reported to the Veterans' Administration. Similarly, excessive absence of students attending college under other programs will be reported to their sponsoring agency as requested.

Rules Governing Absences:

- It is the personal responsibility of students who have been absent from classes to arrange any available make-up work with the instructor within three days after the absence has occurred. Students should endeavor to arrange for this make-up work during the office hours of the instructor. All make-up work must be completed two weeks after the students return to class. Please be advised that instructors may not allow for make-up in some circumstances; therefore, check with your instructor for clarification.

- If the absence seriously affects the student's ability to understand course material, the Office of Student Services is available for individual tutoring. The student should also plan on not missing any additional hours of scheduled class time.

DEPARTMENTAL EXAMINATIONS

Regularly enrolled students may, in some subject areas, be able to earn credit for a course offered by the college through successful completion of a Departmental Examination. Students who believe they have mastered a course through life experience, or past training may, at the discretion of the Department Chair, take the departmental examination, if one has been developed, in that subject area. A fee of \$50.00 per exam must be paid prior to the examination. The exam will be arranged by the Department Chair when the student presents the payment receipt for the exam.

An examination grade of 75% or better is required for credit to be earned, please check with the respective Department Chair as the minimum grade may be set higher by program. Upon successful completion of the exam the Department Chair will file the completed exam with recommendations to the Department of Academic Affairs and the Registrar; upon approval the course completion may then be entered on the student's transcript. A letter grade is not earned through this process and the credits are not calculated as part of the student's GPA. A maximum of 12 credits earned by departmental exam, with a CR (credit) grade, may be applied toward an associate degree, and a maximum of 6 credits for a certificate program. Students should be advised that Departmental Examination credits may not transfer to another college or university.

SPECIAL PROJECTS FOR CREDIT

Special projects may be assigned in the student's program of study. The program advisor will work with the student to develop a project that is of value to the student's educational or occupational goals. Special projects in any program are not necessarily the same from year to year since they are intended to meet changing conditions and demands. Program advisors, in consultation with the Vice President of Academic Affairs, determine the content and number of credits awarded for each project. Special projects for credit may be repeated. Students may not count more than six credits of special project courses towards fulfillment of the requirements of any associate degree.

DROPPING, ADDING, AND WITHDRAWING FROM COURSES

During the 10-day Drop and Add period at the beginning of each semester, students may drop courses by going online to their student account and taking the appropriate action, or by contacting the Registrar's Office for assistance. To add a course, the student must complete the add/withdrawal form and secure the necessary signatures.

After the Drop and Add period, students may withdraw from a class up to the end of the twelfth week of the semester by filling out a WITHDRAWAL form, which must be completed through the Student Services Office.

Students who officially withdraw from a class will receive a "W". Students who do not go through the official withdrawal procedures will receive an "F" grade for courses not completed.

Withdrawing from a course can have an adverse effect on a student's current and future Financial Aid. Read the **FINANCIAL POLICIES** section of the *Student Handbook* for details. Students will not be permitted to withdraw from a course after the beginning of the thirteenth week of classes.

CLASSIFICATION OF STUDENTS: FRESHMAN AND SOPHOMORE

Students who have earned thirty (30) or fewer college level credits are classified as freshmen. Those who have earned thirty-one (31) or more college level credits are classified as sophomores.

CREDIT LOAD

To be considered full-time, a student must carry at least twelve (12) credits; anything less is considered part-time. One credit or one semester hour are equal to 15 contact hours of instruction. Students who wish to take more than eighteen (18) credits are required to receive permission from their academic advisor and the Vice President for Academic Affairs and to maintain a minimum grade point average of 2.7.

FINAL GRADES

Final grades are recorded on the student's permanent record in the Registrar's Office at the close of each semester. Grades are also sent to the student at the permanent mailing address listed in the student's record.

STUDENT GRADE APPEALS: BMCC PROCEDURE

Students who wish to challenge a faculty grading decision should follow BMCC's four-step grade appeals procedure. (For complaints not related to grades, read the **STUDENT SERVICES** section).

- Step 1: Students who wish to appeal a grade assigned by a BMCC faculty must do so in writing addressed to the faculty member, clearly stating the basis for the appeal and attaching any documentation, with a copy submitted to the Dean of Student Services. The deadline for grade appeals is **Friday at noon of the third week after the end of the semester** for which the grade was received.
- Step 2: If the student is not satisfied with the faculty member's response, then the student must file a written complaint with the Chair of the Department. (If the faculty member whose grade is disputed also serves as the Chair of the Department, follow Step 3). The Department Chair shall provide the student with a written decision, a copy of which will be filed with the Vice President of Academics, the Registrar, and the Dean of Student Services.
- Step 3: If the student's written complaint is not resolved to satisfaction at Step 2 and the student wants to continue to pursue the complaint, within 10 days of receiving the Department Chair's decision, the student may appeal to the Vice President of Academics (or to a person designated by the Vice President of Academics). The Vice President of Academics (or the designated person) will chair a committee and
 - a. select three additional committee members (see BMCC Appeals Committee p. 38)
 - b. set a hearing date

- c. notify the student of the hearing date and the student's right to address the committee
- d. notify the student in writing of the findings and recommendations of the committee within ten (10) working days of the hearing.

Step 4: If the student's complaint is not resolved at Step 3, and the student wants to continue to pursue the complaint, the student may appeal to the President (or the President's designated person) within 10 days of receiving the decision from the Vice President of Academics. The decision of the President (or the President's designated person) is final and binding.

HONORS LIST

Each semester the names of full-time students who have completed 12 credit hours that semester and earned a grade point average of 3.5 or higher are published by the college, subject to permission of the student. Those students are recognized as Honors List Students.

ACADEMIC ACHIEVEMENT LIST

Each semester part-time students who have accrued 12, 24, 36, 48, and 60 credit hours with a grade point average of 3.5 or higher are recognized by being placed on the Academic Achievement List.

DEGREE REQUIREMENTS

Students may follow the degree requirements of their original attendance at BMCC, or the requirements in effect at the time of graduation as found in the respective catalogs. However, students who do not complete their degree within five years of their first day at BMCC must follow the current catalog, unless both the student's major and minor departments grant an extension to follow the requirements of the original catalog. Permission must be submitted in writing prior to the student's final year, from both of the departments, to the Registrar's Office. This permission must include any modifications or substitutions and an established deadline, not to exceed one year beyond the five-year limit for degree completion.

Students who select a major not in existence at the time of their original attendance at BMCC must follow the catalog in effect at the time they select a major. Students who are not enrolled for two consecutive semesters must follow the catalog in effect at the time they resume their studies.

Grade point averages for students transferring to Bay Mills Community College from other colleges or universities are determined by only those grades earned at Bay Mills Community College. Any student graduating with honors must have earned a minimum of 30 credits at Bay Mills Community College.

While recognition at the commencement ceremony will be based upon cumulative grades prior to the final grading period, all grades earned at Bay Mills Community College will be included in the final determination of honors status in the student's permanent record.

TRANSFER OF CREDITS TO OTHER INSTITUTIONS

Transfer equivalencies differ from institution to institution. Therefore, students who wish to transfer to another college or university should plan their course of study accordingly. Although assistance will be provided by advisors, BMCC students must assume responsibility for meeting the requirements of the college or university in which they plan to enroll.

RIGHT OF REVISION

The college reserves the right to change without notice any curricula, courses, faculty, tuition, fees, policies, and rules. If courses and curriculum changes take place after students commence a program of study, the college will make every effort to accommodate the students and their degree requirements.

ONLINE COURSES

Online courses provide the convenience of instruction that allows students to study from their own location and on their own schedule. Students may complete individual online courses or complete Associate of Arts degrees in either Early Childhood Education or Business Administration. Course work may include weekly online discussions, readings, and individual or group assignments. As in face-to-face courses, instructors require students to demonstrate mastery of subject area through exams, course projects, and research papers.

Registration, financial aid, textbook ordering, and advisement are completed online. There is a student services advocate who acts as liaison between students and faculty when needed. To learn more about online courses visit www.bmcc.edu.

FINANCIAL AID

Bay Mills Community College offers a variety of federal, state, and local scholarships, grants and work study opportunities. Many students are eligible for financial aid and should apply to find out what financial aid may be available. Most financial aid is based on need and is intended to assist students whose families cannot pay all, or perhaps any, of the college costs. The difference between what it costs to attend BMCC and what a student and his or her parents can reasonably contribute is considered the student's unmet need.

TYPES OF FINANCIAL ASSISTANCE

BMCC offers three types of financial aid:

- **Scholarships:** Non-repayable money usually based on academic performance and/or demonstrated financial need.
- **Grants:** Non-repayable money usually based upon demonstrated financial need.
- **College Work-Study:** Part-time work during the school year. Evidence of financial need is usually a requirement.

These types of assistance are often combined to form a financial aid “package.” The “package” is designed to make up any difference between the school expenses and the expected family contribution. In the packaging process, each eligible student may receive scholarship and/or grant aid, as well as work-study funds.

FEDERAL PELL GRANT PROGRAM

The Federal Pell Grant Program is a student aid program designed to provide undergraduate students with a base of financial aid to help meet the costs of attending college. The Federal Pell Grant is also the foundation from which all other student financial aid (federal, state, institutional, and private) is built. Eligibility for a Pell grant is determined from the student’s FAFSA application.

APPLY FOR FAFSA

To apply for federal and state financial aid, you will need to complete the Free Application for Federal Student Aid (FAFSA) at <http://fafsa.ed.gov>. The school code for Bay Mills Community College is 030666.

You should start by applying for an FSA ID (user name and password) through the U.S. Department of Education. It is important to understand that the student and the parent may not share an FSA ID: Your FSA ID is your signature, so it has to be unique to you. If you are a parent of a dependent student, you will need your own FSA ID if you want to sign your child's FAFSA form electronically. If you have more than one child attending college, you can use the same FSA ID to sign all applications, but each child must have his or her own.

Next, you’ll need to gather the documents needed to complete your FAFSA. Typically, these documents include your social security number, alien registration number (if you are not a U.S.

citizen), your federal income tax returns (Note: You may be able to transfer your federal tax return information using the IRS Data Retrieval Tool), W-2s and other records of money earned, bank statements and records of investments (if applicable), records of untaxed income (if applicable), and an FSA ID to sign electronically. If you are a dependent student, then you will also need most of the above information for your parent(s).

WHEN TO APPLY – FINANCIAL AID DEADLINE

Don't delay applying for aid. Completing the Free Application for Federal Student Aid early will help you avoid missing deadlines, thereby maximizing the amount of aid for which you are eligible. The FAFSA can be filed as soon as **October 1st** of the student's senior year in high school and each subsequent year in college. Bay Mills Community College highly recommends completing your application as soon as possible so that student's meet the State of Michigan's March 1st state aid deadline. Completing your FAFSA early will ensure you have a complete financial aid file by the **June 30th** deadline. This deadline is for new and returning students. If you have other sources of financial aid, such as a direct pay by your tribe or employer, please submit a copy of the documentation to the Financial Aid Office by August 1st of each year.

If you do not have a complete financial aid file before the semester begins you may still apply for financial aid during the semester you are enrolled; however, you will be required to pay for your books at the time of purchase. You will also be required to pay in full or setup a payment plan with student billing for your tuition and fees within five business days from the beginning of the semester. If you're eligible for financial aid, refund checks will be issued during the semester for any excess financial aid.

FINANCIAL AID ELIGIBILITY

The Federal Government has determined that financial aid will be made available only to those students who have received a high school diploma or earned a GED.

In order to be eligible for financial aid, a student must

- be a U.S. citizen or "eligible non-citizen"
- be accepted for admission to BMCC
- complete the FAFSA and submit all required documentation for the financial aid file
- be enrolled for the minimum number of credit hours needed to fulfill program requirements
- maintain satisfactory academic progress
- register with Selective Service, if required by law
- not be in default on any Title IV loan or Title IV grant received at any institution
- complete the Anti-Drug Abuse Certification Statement

FINANCIAL AID DISBURSEMENT DATES/REFUND CHECKS

If you qualify for financial aid, we will apply the financial aid to your college bill first and if your financial aid is greater than your bill, you are eligible for a refund. Financial aid refunds from the Pell grant are disbursed in three payments over the course of the semester. If you receive other types of financial aid, it will be disbursed on the closest refund date. Please refer to the Financial Aid Disbursement Date schedule located on the website at www.bmcc.edu for more information.

PELL GRANT ATTENDANCE REQUIREMENT

We are required to check your attendance regularly as part of the Pell grant requirements. If you don't attend your classes, your Pell grant will be adjusted and you will receive a smaller financial aid refund check, or you may even have to pay back a portion of your Pell grant.

FEDERAL PELL GRANT LIFETIME ELIGIBILITY

Students are limited to 12 semesters (six years) of Pell grant eligibility during their lifetime. This regulation affects all students regardless of when or where they received their first Pell grant. For example, if you received a full time Pell grant for 6 semesters (3 years) at BMCC, you would be limited to 6 semesters (3 years) at another college or university.

The U.S. Department of Education is tracking your lifetime eligibility percentage. Since the maximum amount of Pell grant funding a student can receive each year is equal to 100%, the six-year equivalent is 600%. For example, if you received a full time Pell grant for 2 semesters, you used 100% for that year. In the next year, if you enroll at three-quarter time for 2 semesters, you used 75% for that year. Together, you would have used 175% out of the total 600% lifetime limit. You can determine how much Pell grant you have used and what you have remaining at www.nsls.ed.gov or by contacting BMCC's Financial Aid Office.

You must plan now for your future, especially if you plan to transfer to a four year college and pursue a bachelor's degree. Complete your classes and stay on track with your academic plan to attain your associate and bachelor's degree within the six year lifetime limit!

RETURN OF FINANCIAL AID FOR COLLEGE WITHDRAWAL OR ALL F'S

When you receive a Pell grant or Federal Supplemental Opportunity grant to attend Bay Mills Community College, you are agreeing to complete courses covered by your financial aid. According to the Department of Education regulations, if you withdraw from all classes prior to completing more than 60% of a semester, your aid will be recalculated based on the percent of the semester you have completed. For example, if you received a \$1,000 award and only completed 30% of the semester, you would need to pay back \$700.

If you receive F's in all of your classes, the Department of Education requires a recalculation of your financial aid based on the last date you attended. For example, if you stopped attending classes after receiving your financial aid refund check and get all F's, you may have to pay back a substantial amount because you didn't earn your Pell award.

If you are thinking about withdrawing from all of your classes or decide to stop attending classes, please contact the Financial Aid Office to determine how this will affect your financial aid and possible repayment.

SATISFACTORY ACADEMIC PROGRESS POLICY

Federal law requires all students who receive federal financial aid to make Satisfactory Academic Progress (SAP) toward their degree. The intent of this policy is to ensure that students who are receiving federal financial aid are making measurable academic progress toward completion of an eligible academic program in a reasonable period of time. This will be evaluated at the end of each semester. At that time, the Financial Aid Office will review the student's transcript to determine if the student is in compliance with the following requirements:

- **Credit Hours**

Students must earn at least 67 percent of the credit hours that they attempt at BMCC on a cumulative basis. Students who fail to meet this requirement will be put on a “does not meet Satisfactory Academic Progress (SAP)” status and receive a SAP warning for their next semester of attendance. Students put on warning will be notified in writing of their status and informed of the deficiency requiring correction. Eligibility for financial aid will be suspended if the deficiency is not corrected by the end of the next semester of attendance.

- **Grade Point Average (GPA)**

Undergraduate students with a cumulative BMCC GPA below 2.0 will be placed on an unsatisfactory academic progress warning. Students put on SAP warning will be notified in writing of their status and will be informed of what they need to do to be removed from SAP warning. Students on SAP warning are eligible for financial aid; however, if they fail to raise their GPA to the minimum 2.00 level after the semester they received the warning, they will be placed on financial aid suspension. Students on SAP suspension are not eligible for federally sponsored financial aid programs. (Transfer credits will not be considered in the cumulative BMCC GPA calculation).

Please, contact the Financial Aid Office to obtain a copy of the entire Satisfactory Academic Progress policy or if you need clarification.

MAXIMUM CREDIT HOURS

Students are limited to receiving federal financial aid for up to 150 percent of the number of credits required for their program of study. For example, if your associate degree requires 66 credits, you can obtain federal financial aid for up to 99 credit hours (66 x 150%) provided that you maintain satisfactory academic progress.

RIGHT TO APPEAL FINANCIAL AID SUSPENSION

If your unsatisfactory progress was due to extenuating circumstances, you may appeal your financial aid suspension within ten business days of the date on the notification letter. You must submit your appeal in writing to the Director of Financial Aid stating the reason for your unsatisfactory progress and in what way the situation has now been rectified, while attaching any appropriate documentation to your letter.

OMNIBUS DRUG INITIATIVE ACT

All students receiving federal financial aid are required to certify that they will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance while a student at BMCC. This act gives courts the authority to suspend eligibility for federal student financial aid when sentencing a student who has been convicted of a drug-related offense.

GRANTS AND SCHOLARSHIP OPPORTUNITIES

The following discussion is not a complete list of the types of grants and scholarships that are available. Please contact the Financial Aid Director to obtain additional information.

Board of Regents Tuition Award

The Board of Regents Tuition Award WAIVES TUITION costs (Board of Regents tuition award only covers tuition, it does not cover textbook costs or any other fees) for all students admitted to BMCC who complete the required application and meet the following rules:

1. Must be a TRIBAL MEMBER of a U.S. Federally Recognized Tribe and submit a copy of your tribal I.D. or verification of tribal membership from your Tribal Enrollment Clerk.
2. Must maintain a 2.0 GRADE POINT AVERAGE.
3. Students must display GOOD MORAL CHARACTER to remain eligible (the BMCC Student Handbook will be used for reference of expected student behavior).

Any student currently earning below a 2.0 cumulative Grade Point Average at the end of the academic year will be placed on probation and have one academic year to bring their GPA up to a 2.0. If the student fails to achieve a 2.0 during the probationary period, they will not be eligible until their cumulative GPA is brought up to the 2.0 requirement.

American Indian College Fund (AICF)

The American Indian College Fund scholarships and grants are an integral part of the financial aid package at Bay Mills Community College. The Financial Aid Office posts information regarding the AICF Grants/Scholarships at the beginning of each semester, and the student is responsible for filling out the application online.

Tribal Support Programs and the Indian Higher Education Program

Financial assistance for tribal members wishing to pursue post-secondary education or vocational training is available through individual tribal education departments. To apply, contact your tribal education director for an application and program guidelines.

Work Study Program

The purpose of the Work Study program is to make part-time employment opportunities available for students who have demonstrated financial need and who are eligible for financial aid. Students at Bay Mills Community College must apply through the Human Resources Department. To determine if a student qualifies for work study, financial aid eligibility and work ability are evaluated. Students may be required to re-apply for work study programs each semester as actual

employment is based upon available funding. Applications are available on-campus or online at www.bmcc.edu.

Supplemental Educational Opportunity Grants

The purpose of the Federal Supplemental Educational Opportunity Grant is to provide grants to exceptionally needy students to help pay for their post-secondary education. It is for undergraduates only and it does not have to be paid back. The minimum award is \$100. To qualify for these grant funds, students must be eligible to receive a Federal Pell Grant.

Michigan Works

Under the provision of Michigan Works, the E.U.P. Employment and Training Consortium receives federal and state funding to provide financial assistance for classroom training to eligible residents of Chippewa, Luce, and Mackinac Counties. The purpose of Michigan Works is to prepare the student for immediate employment upon completion of training. Because eligibility requirements vary, students must contact the E.U.P. Employment and Training Consortium to explore available programs.

If the student does not have a complete financial aid file before the semester begins, they may still apply for financial aid during the semester they are enrolled. However, students will be required to pay the full cost of their bill by the due date. If students are eligible for financial aid, refund checks will be issued during the semester for any excess aid.

BMCC DISPUTE RESOLUTION PROCEDURES

Students who feel they have been treated unfairly or who have complaints against a faculty or staff member have the opportunity to address the situation by following a two-stage dispute resolution procedure. (For grade appeals, see **ACADEMIC POLICIES**).

Stage 1- Informal¹ dispute resolution: Students who feel they have been treated unfairly or who have complaints against a faculty or staff member should first attempt resolution by meeting with the individual most directly involved within four (4) working days of the incident. The purpose of the meeting is to discuss the nature of the complaint and to determine mutually agreed upon solutions. Students may seek assistance from other college faculty and staff in scheduling this meeting, and may also invite a staff member to the meeting for support.

Students with complaints about other students should request a college faculty or staff member to facilitate and moderate the meeting.

¹ (The “informal resolution” may be waived at the discretion of the responsible BMCC staff member if it is determined that such meeting might result in harm to the student. Appropriate staff may also waive the time period specified for filing the dispute.)

Students needing assistance with scheduling an informal dispute meeting can request assistance from the Dean of Student Services to identify faculty assistance for either the faculty/staff or student dispute meetings and a location and time.

If a satisfactory resolution is not arrived at during the informal meeting stage, students may continue their appeal outlined in the formal resolution procedures below.

Stage 2 - Formal dispute resolution: If a satisfactory resolution cannot be obtained through informal means, students may continue the dispute by filing a formal written complaint within four (4) working days following the informal meeting. Complaints concerning academic courses, programs, and teaching faculty should be submitted to the Vice President for Academics. All other complaints (concerning disciplinary action, student conduct, financial aid or other BMCC policies) should be submitted to the Dean of Student Services.

Students should fill out the forms provided by the Vice President of Academics or the Dean of Student Services. The written complaint should clearly describe the subject of the dispute, the outcome of the informal meeting, and the issue(s) that are still unresolved.

- The Vice President for Academics or the Dean of Student Services will serve as a chairperson of the Appeals Committee. The Chairperson of the Appeals Committee will select two committee members, establish a hearing date, notify the student of the hearing date, and conduct the hearing. All parties involved in the complaint may be present at the hearing to explain their position. All parties involved should present all necessary supporting documentation at the hearing.
- The Chairperson of the Appeals Committee will notify the student of the findings and recommendations of the committee in writing within (10) ten working days of the hearing.
- If the student is not satisfied with the decision of the Appeals Committee, the Chairperson of the Appeals Committee shall refer the dispute to the BMCC President for a final written decision. The President's final decision may be reached with or without a hearing. The written final decision will be placed in the student's file.
